Tomorrow, Ellicott Mills Students and Staff will take part in a Wellness and Club Day. The purpose of the Wellness and Club Day is for staff and students to engage in activities that build community and a greater sense of belonging within our school. The Wellness Day portion of the afternoon will engage students in conversations about the importance emotional well-being, such as middle school stressors and a sense of belonging. The Club Day portion of the afternoon, is an outgrowth of Student Voice, where students get to choose a club of their choice and engage in activities.
