IMPORTANT/NEW:

Carson Scholars Fund:

The Carson Scholars Fund awards $1,000 college scholarships to students who excel academically and are dedicated to serving their communities. Any interested student must be nominated by the principal at his or her school to be able to compete for a Carson Scholarship. Only one student from each school can be nominated. Carson Scholars must have a GPA of 3.75 or higher and display humanitarian qualities through community service. Scholarships are awarded solely on the basis of academic achievement and humanitarian qualities.

If your child is interested in being considered for nomination, please have them pick up an application in the Student Services office. All applications are due to Mrs. Schwaab in Student Services by November 13th. Any responses received after November 13th will not be considered for nomination.
